Franklin Crossing offers convenient access from Highway 1 and 36 Street NE. This well-located building is close to Sunridge Mall, Marlborough Mall, Pacific Mall, and the Franklin LRT Station. The building is a rectangular structure divided into 12 main floor condominium bays, each approximately 5204 square feet. Constructed with a concrete foundation, the exterior features durable pre-cast concrete and metal siding. The membrane roofing system was updated in 2014, and the building includes concrete and drywall interior walls, with ample paved parking available.
