Do you like Listings that say LOCATION LOCATION LOCATION?! Probably not&hellip;but in this case your new AIRBNB FRIENDLY home has a superior location if you want to experience TRUE INNER CITY LIVING. Part of this lifestyle is not needing to drive at all! When you can walk to CALGARY CO-OP for groceries (5 min), TIM HORTONS and Circle K (< 1 min), and few restaurants (< 5 mins) what isn't there to love about the simplicity of having everything at your fingertips? Being only 5 mins walk to 17th Ave SW, and its myriad of boutique shopping, entertainment, and some of Calgary's best restaurants elevates your social and nightlife to the next level (and makes your friends jealous that you can walk or take a few mins Uber home). After a long work week and coming home to your centrally located WORK/PLAY HUB, you can walk 10 mins home from the LRT, where you will feel proud as you enter your door and welcomed by the UPDATED INTERIOR (flooring, baseboards, paint, bathroom tub and vanity). It's been busy, so you're feeling lucky that your newer VINYL PLANK FLOORS are easy to clean. It's still light out, and your mood is improved by the NATURAL LIGHT spilling in from 2 sides of your CORNER UNIT home, thankfully even on hot summer days you have CENTRAL A/C to cool you down. You grab a beverage from your STAINLESS STEEL FRIDGE, take off your work clothes and put them into your FRONT LOAD LAUNDRY. It's time for a quick shower, so you queue up your favourite tunes through Bluetooth on the combo light, fan, and wireless speaker in the bathroom. When you're done, you can leisurely choose your outfit from the CLOSET ORGANIZERS in both bedrooms. Before heading out to celebrate the weekend with friends, you may head up to the ROOFTOP PATIO (not all units have

access, ask your Realtor how to access) to admire the the stars in the clear sky and get some fresh air. Don't wait to make this lifestyle a reality for you today!
